- Fragrance blends designed to evoke memories
- Nostalgically named
- Mottled wax blend
- Highly giftable
- Made in England by Wax Lyrical

Fragrances

NEW Love & Laughter Fun and laughter with loved ones are memories that can never be replaced. Lavender with fresh eucalyptus, warm patchouli and sweet tonka, an aroma reminiscent of special times.

First Romance The first delicate kiss, sweet and innocent, the excited laughter and the beautiful intoxication of young love are personified by the aroma of 'First Romance'.

In The Park Sunshine warms grass and gently caresses wild flowers that grow just out of reach of the shadows of large trees. Sitting on the bench the view lifts your spirits and brings peace to your day.

Blissful Sundays The warming aroma of vanilla and mimosa are blended into a homely fragrance that captures the feelings that your favourite lazy pastimes and creature comforts bring to you on this special day of the week.

Spring Clean The touch and smell of fresh clean towels, the feel and aroma of freshly washed linen on a large bed. Sunlight pours through the window of your home warming the flowers on the window sill.

Bath Time Steam fills the senses and brings with it the warm purifying fragrance of lavender and citrus for the perfect bath. Relax, breathe deep and wash away the day with 'Bath Time'.

Exotic Escape Pineapple, coconut and passion fruit blend together in a tempting fragrance that transports the imagination to a deserted beach, a favourite holiday or tropical daydream.

Day At The Spa Treat yourself, relax and unwind your body, mind and spirit with the fresh airy fragrance reminiscent of a day spent at the spa.

High Tea Served on the finest china, in the most opulent of settings, a delicious tower of sweet treats awaits. Let the delicious aroma of sweet macaroons and a touch of Earl Grey fill your room.

Celebration Let the celebration begin with the familiar sound of corks popping, as joy and laughter fill the room. The sparkling accord of green apple, pear and tangy white wine blended with base notes of musk create the perfect celebratory fragrance.
